The mission of the Parish Religious Education Program is to assist parents as they raise their children in the Catholic faith, so that these children may more fully participate in the life of the Church, share in God’s love and understanding, and joyfully journey with our Saviour Jesus Christ in the new life He offers to all.

At Baptism, parents make a solemn commitment to raise their children *in the practice of the Faith*. Families are expected to participate in the sacramental life of the Church, especially in the Sunday Mass. Experience of the faith at Mass is an integral component of childhood formation and beyond. Parish catechism supplements, and cannot replace, Christ-centred parenting or the liturgy as faith is lived in the domestic church, the Christian family.

Parents support the religious education curriculum by:

- participating in parent sessions and working with their children at home
- ensuring children attend class regularly and complete home assignments
- cooperating with the catechist and the pastor to promote the best learning experience for all, and
- celebrating Sunday Mass and the sacraments as a family.

I understand these expectations and will do my part in cooperation with the parish program (PREP).

I consent to St. Pius X Parish collecting personal information which may include student identification, baptismal/sacraments records, catechism records, parent contact information, health information as provided by the parent/guardian, emergency contact information and any similar information required for program participation and administration. I will email the Parish Office if I prefer my child’s photo or work not be used in the classroom, church or IC program materials, or (without family name) on the SPX website.

This information is required to register your child in PREP and to allow us to respond to an on-site emergency. For more information, please contact the PREP Office at (250) 762-2587 or spx@shawcable.com .
